

Royal Princess®

A relaxed, rejuvenating retreat at sea

Piazza-style Atrium

Every detail of the new Royal Princess has been designed to enhance the atmosphere of which our loyal passengers have grown accustomed.

From the spectacular Atrium — now over 50 percent larger than our other ships' Atriums and featuring exciting new eateries — to materials and finishes specifically chosen to reflect the warmth and sophistication that's synonymous with Princess Cruises, to exciting new venues like the **SeaWalkSM** — our glass-bottom walkway extending 28 feet beyond the edge of the ship and 128 feet above the ocean, Royal Princess is sure to impress.

Whether you want a romantic, intimate space or a lively experience with new friends, Royal Princess has everything you need to
